MJM RICE MILLS

Company Profile

About MJM RICE MILLS

Established in 2000, MJM Rice Mills is a leading rice processing and export company located in Muridkey,Pakistan. With over two decades of industry experience, we specialize in producing premium-quality Basmati and Non-Basmati rice varieties through advanced processing techniques and stringent quality assurance systems.

Our commitment to excellence, food safety, innovation, and customer satisfaction has enabled us to become a trusted supplier for importers, distributors, wholesalers, retailers, and food service businesses worldwide.

At MJM Rice Mills, we strive to deliver consistent quality, reliable supply solutions, and long-term business partnerships built on trust and professionalism.

WHY CHOOSE MJM RICE MILLS

REAP MEMBER
(RICE EXPORTERS ASSOCIATION PAKISTAN)

Key Strengths

- Established Since 2000
- ISO Certified
- Halal Certified
- GMP Certified
- German Bühler Processing Technology
- Independent Laboratory Testing
- Premium Basmati & Non-Basmati Rice
- Rice By-Products Supplier
- Customized Packaging Solutions
- Private Label Manufacturing
- Strict Quality Assurance
- Reliable Global Supply Network
- Professional Export Services
- Customer-Centric Approach

ADVANCED PROCESSING TECHNOLOGY

German Bühler Processing Machinery

MJM Rice Mills is equipped with state-of-the-art German rice processing machinery from Bühler, one of the world's leading manufacturers of food processing equipment.

Our advanced milling infrastructure ensures:

- ❖ Precision Cleaning
- ❖ Efficient De-Stoning
- ❖ Superior Polishing
- ❖ Accurate Length Grading
- ❖ Advanced Color Sorting
- ❖ Minimal Grain Breakage
- ❖ Consistent Product Quality

The integration of Bühler technology enables us to maintain exceptional grain quality while meeting the strict requirements of international buyers.

FOOD SAFETY & LABORATORY TESTING

Commitment to Food Safety

Food safety and product integrity are among the highest priorities at MJM Rice Mills.

To ensure superior quality and compliance with international standards, MJM Rice Mills maintains a professional testing arrangement with **TTI Testing Laboratories**.

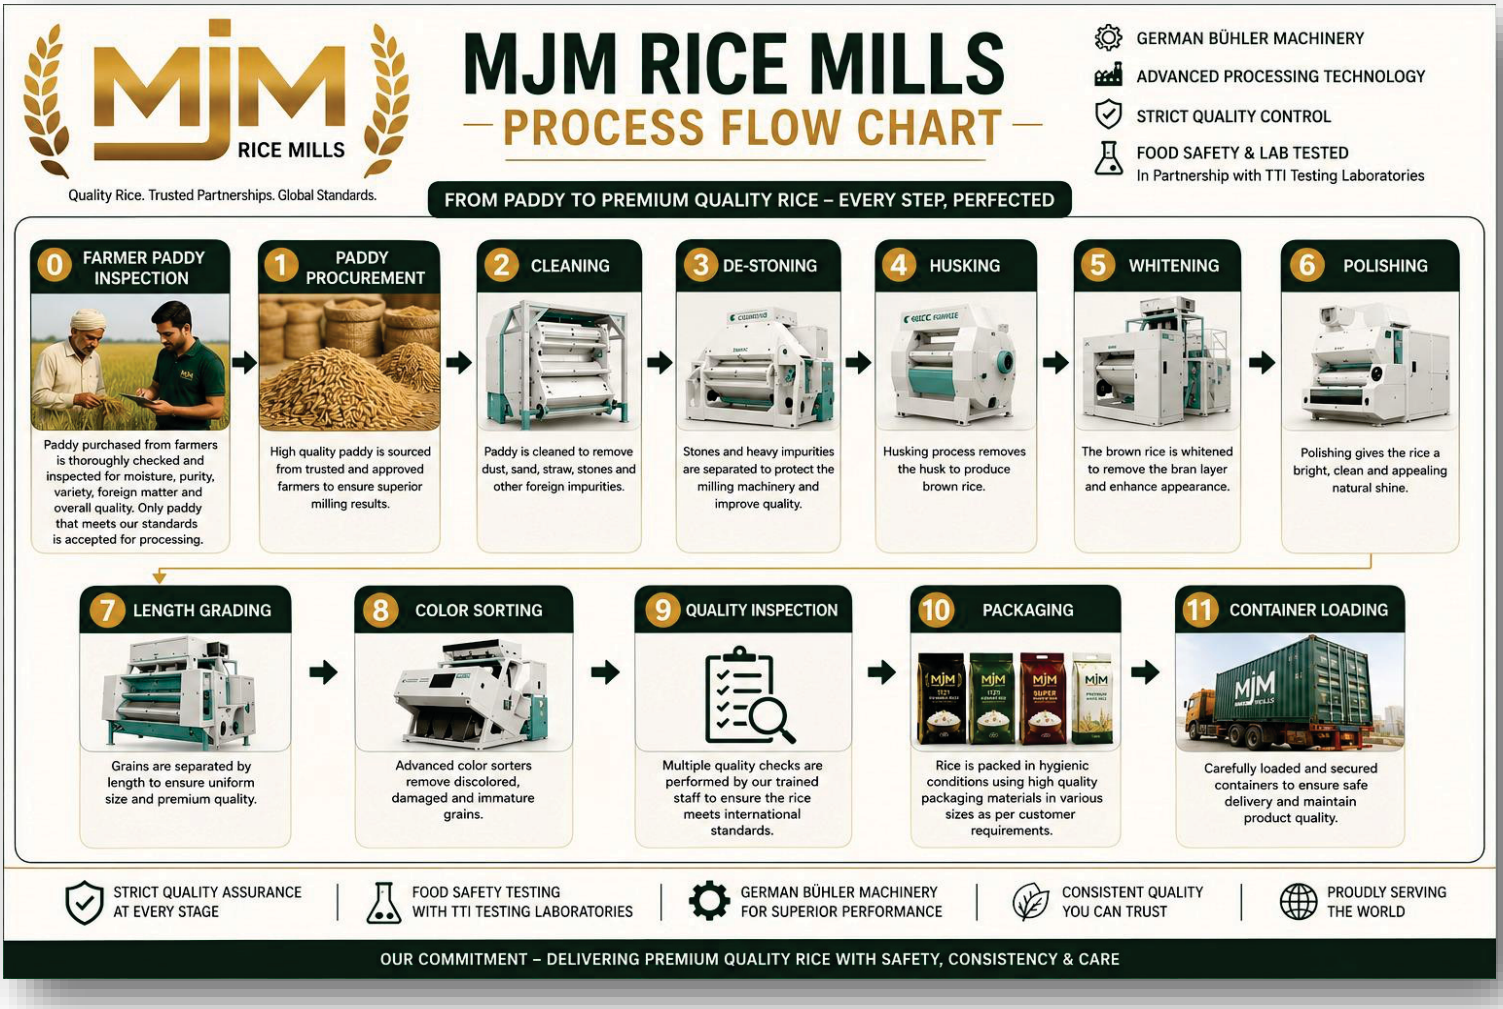

Laboratory Testing Services

- Aflatoxin Testing
- Pesticide Residue Analysis
- Heavy Metal Testing
- Microbiological Testing
- Moisture Analysis
- Product Quality Verification
- Food Safety Compliance Testing

Independent laboratory verification provides our customers with confidence in the safety, quality, and reliability of every shipment.

RICE PROCESSING FLOW

Processing Infrastructure

Every stage is carefully monitored to ensure consistent product quality and compliance with customer specifications.
